

# High School Student Scholarship for Safety Related Careers

The CIASSE (Central Indiana American Society of Safety Engineers) High School Student Scholarship will be awarded annually to a deserving high school senior in Indiana. CIASSE will award up to three \$1000 scholarships. Any high school senior in Indiana with a 2.8 GPA or higher who will be furthering their education in Indiana with an emphasis on occupational safety is eligible to apply.

## **Guidelines**

Must currently be a senior in an Indiana High School. Preference will be given to those in the Central Indiana ASSE Chapter's geographical area.

Must have a GPA of at least a 2.8 on a 4.0 scale and submit a copy of their high school course transcript and grades through the first 3.5 years.

Must enroll in an Indiana College or University with a major or minor related to occupational safety.

Payment of the scholarship will be made upon receipt of the completed Course Enrollment Verification Form.

Applicant must provide 2 letters of reference. One from a teacher from their high school and one from a current employer, their career advisor or their school counselor.

Applicant must include a brief description of their career plans and how they relate to occupational safety.

Winning applicant must join a student chapter of ASSE or the Central Indiana ASSE Chapter.

## **Safety related careers may include:**

- Construction safety
- Risk Management
- Occupational Safety and Health
- Industrial Hygiene
- Environmental Health
- Or others as approved by the scholarship selection committee.

## **Timeline**
