

## CENTRAL INDIANA ASSE CHAPTER NEWSLETTER

*May 2018*

The month of May always reminds me of graduation and the student life. Our Chapter is fortunate to have two very strong Student Sections: Indiana State University in Terre Haute and Indiana University in Bloomington. The Executive Board has also been discussing with Purdue University faculty members about starting a student section. I am pleased to report that the IU Bloomington Student Section has been selected for the second time in 3 years as the Outstanding Student Section by ASSE. I believe Occupational Health and Safety students represent some of the best characteristics of our profession. They are smart, passionate, inquisitive and committed to making a difference in the world. These traits in an experienced professional are re-awakened when you are around the students. The 6th Annual Golf Outing "Future Leaders in Safety" in late July is your next opportunity to spend some time with our great students. See you at the May chapter meeting!

- Chet Brandon, CSP, CHMM  
Central Indiana ASSE Chapter President

**Join us** for the 6th Annual Central Indiana Chapter Scholarship Golf Outing "Future Leaders in Safety" on July 27, 2018! We are currently accepting registration for participants and actively seeking sponsors. [Click](#)

## Chapter News

### 2018 Chapter Safety Professional of the Year Award

At the April 20 Chapter meeting, Chapter Vice President Greg Anderson presented Al Capuano, Ed.D. with the 2018 Central Indiana ASSE Chapter Safety Professional of the Year award. The ASSE Chapter SPY award is an honor acknowledging the dedication and outstanding contributions of a member to a specific Chapter. Dr. Al has been a member of ASSE for 30 years and currently serves as the Chapter's Student Section Liaison at Indiana University Bloomington.

Congratulations Dr. Al on receiving this prestigious award!

### IU Bloomington Awarded the Outstanding Student Section of the Year Award

Congratulations to the Indiana University Bloomington Student Section for being selected as the recipient of the 2017-2018 Outstanding Student Section of the Year Award! Student Representative(s) will be presented a monetary honorarium and a plaque at the American Society of Safety Engineers Safety 2018 Conference in San Antonio, TX.

### Southern Indiana Section Dissolution

Per the Chapter Bylaws [Article VII Section 3. e)] the Executive Board recommended dissolution of the Southern Indiana Section to the Regional Operating Committee. The Executive Board spent several months to restart the Southern Section of the Central Indiana Chapter, unfortunately there was a lack of interest from the members. Rather than continue to put energy into activities that aren't of interest to our members, we will focus on making the parent Chapter's activities even more meaningful for all members. All Southern Indiana Section members will be absorbed back into the parent Central Indiana Chapter.

### Chapter Delegates to the ASSE House of Delegates at Safety 2018

Historically the Chapter President and the President Elect have been selected to

serve as the Delegates to the annual House of Delegates for our Chapter. That is the case again this year. Jeff Fox, President Elect and Chet Brandon, President, will attend Safety 2018 in San Antonio, TX as Delegates. At the HOD, we will hear from the ASSE President Jim Smith about the state of the society, review the ASSP Strategic Plan and witness the IU Bloomington Student Section receive their award and the installation of the new Society Officers.
