PRESIDENT'S MESSAGE

After a very eventful winter and spring for the chapter, we have reached the summer break in our meeting activities. I hope each of you are finding time to enjoy the summer with family and friends. A great opportunity to enjoy the good weather with your professional peers is our annual golf outing occurring at the end of this month.

Please recall that the golf outing is a fund raiser for some of our scholarships that benefit Indiana students pursuing degrees in occupational health and safety. This year's golf outing looks to be the best sponsored and attended ever! If you are interested in participating, but have not registered, you still can on the chapter website. It's a worthy cause and a great time, I hope to see you on the course!
