## PRESIDENT'S MESSAGE

The Chapter's activities are moving along well. The planning and preparation for the 2019 Indiana Safety and Health Conference & Expo is right on schedule with the CEUs approved and the agenda published last week. You can view the agenda at: <http://www.insafetyconf.com/agenda/>. The chapter meeting in October was a great success with an informative presentation from IOSHA indicating the overall safety of Hoosiers at work continues to improve. You are no small part of that success. Our professional efforts and leadership are strong contributors to the continuous improvement of the work environment in Indiana. Take a moment to enjoy a well-earned GOOD JOB! But wait! We are not done yet, let's keep the good times rolling by networking and learning new skills to have an ever greater impact on the working lives of our fine Hoosier work force. Your chapter meetings and the annual conference are the most cost effective and convenient way to keep getting better. Our next chapter meeting is Nov 9th (more info below). I'll be at the meeting this month and look forward to talking with each of you about what else your Central Indiana Chapter can do for you.

See you at the chapter meeting.

Chet Brandon

CIASSP Chapter President
