PRESIDENT'S MESSAGE

Happy New Year. Welcome to 2019! A new year for your site, career, and family. What will you do with it? I have been thinking about that question as well. I have 6 months left as your Chapter President. I am committed to finishing strong with the help of our fine Board of Directors. We have goals established for the year. These are:

- a) Maintain Membership above 500
- b) Grow Annual Indiana S&H Conference
- c) Award 3 High School Students with OHS Scholarships to the profession
- d) Develop a Strong Relationship with the BCSP
- e) Fund a Research Grant with Indiana University, Indiana State University, and Purdue University
- f) Add new BOD Subcommittees: WISE, Student Sec./Scholarship Admin and Conference Admin.

Goals a, c, and d are already accomplished thanks to some great work by individual board members. We are working away on the rest. If you have interest in participating in that effort, send me an email (chetwinbrandon@gmail.com). I'd like to comment further on goal b - Growing the Conference. This benefits our profession, the state of Indiana, and our chapter. I can't tell you what a great partner the Indiana Chamber of Commerce is each year in this endeavor. With their help, and yours, we deliver on of the best conferences in the country each year. The conference is February 26-28th this year.

We are asking for chapter members to volunteer as moderators. I hope each and every one of you will attend and we get a chance to chat about the future of our work and Chapter.

Chet Brandon a difference this year!

LOCAL HIGH SCHOOL GUIDANCE DEPARTMENT INQUIRY

The Central Indiana ASSP Chapter is currently inquiring for contact information for guidance departments at local Central Indiana High Schools. We are looking to obtain assistance in planning informational presentations to be given by Central Indiana Chapter ASSP members to high school juniors/seniors on the safety profession and avenues those interested can pursue. Furthermore, any Central Indiana ASSP Chapter member that has the opportunity to present to a local high school group such as a church group, robotics club, 4H club, band, choir, career fairs, etc. should reach out to the below chapter contact who will provide you with to distribute regarding the

safety profession and high school scholarships available. All interested parties or those who may be able to provide assistance in obtaining contact with local high school guidance departments should contact Ginger Dayton via the below contact information.
