## PRESIDENT'S LETTER

Greetings!

July marks the “changing of the guard” for your Central Indiana ASSP officers. I would first like to thank outgoing president Chet Brandon for his leadership and commitment to the chapter over the past two years. Also, after 20+ years serving as the Central Indiana treasurer, Gary Gokey will be stepping into retirement. Thank you very much for your service over the many years. We won't call you too many times while you're relaxing on a beach somewhere in Florida. With that being said, our chapter couldn't succeed without the current group of officers and volunteers. Many of which are new or have stepped into different roles to contribute to our chapter.

I am privileged to step into the President position for the Central Indiana Chapter. Just like you, I understand how important our role as safety professionals is in protecting the lives of the Indiana workforce. I also see the many benefits of an organization like ASSP can provide to its's members, community, and the HSE profession. We have many new and exciting initiatives in store for you. Please don't hesitate to reach out to any officer or myself directly if you'd like to get more involved or have any questions. There is a list of board members and emails on our website (<https://centralindiana.assp.org/>) We are always looking at new ways and ideas to make the Central Indiana chapter one of the best ASSP chapters in the United States!

We will take a summer break from our normal scheduled chapter meetings, but please join us at our 7th Annual Scholarship Golf Outing on August 2nd. Have a safe 4th of July and summer break!

Jeff Fox, CSP, CET – Chapter President  
Central Indiana Chapter ASSP
