INDIANA
CHAPTER

September Newsletter

PRESIDENT'S LETTER

Central Indiana ASSP Members,

This is the time of the year when we honor the contributions workers have made to the development, growth, and well-being of our country. It is our duty as safety professionals to ensure the workforce returns home safe to their families, friends, and loved ones every day. We care for our fellow co-workers, but our passion for what we do fuels the advancement of the overall safety profession. I want to thank each and every one of you in growing a safer workforce. This may be one of the reasons why you chose to be a member of ASSP. I challenge you to make the most of your membership and truly engage in your local Central Indiana Chapter.

Summer is coming to an end. Kids are returning to school. Our attention and spare time continues to be dedicated to our day job. Why not take a break and find time to network with your peers in the industry or sharpen your safety knowledge? The Central Indiana ASSP monthly chapter meetings begin back up in September. To end this year, we have four excellent meetings planned for you including managing your workers comp claims, an update from Indiana OSHA, Chip Ganassi Racing Headquarters, and fall protection inspections. Please check the events page of our website for details and registration: <https://centralindiana.assp.org/event/> I hope to see you at an upcoming event!

Next week we will send out a very brief survey which we ask that you take 1-2 minutes to complete. We would like to know your feedback on the best days, times, locations, and topics for the 2020 chapter meetings. We are also accepting any businesses to sponsor our monthly chapter meetings. This would allow our members to attend at no cost, and exposure opportunities for the sponsor. We are proud to announce that our upcoming November meeting will be sponsored by BCSP and December's by Ritz Safety.

Lastly, we are still looking for members to become more involved in any of the following committees. Please email me if you are interested in participating (Jeff.Fox@Corteva.com)

1. Construction Industry Focus
2. Community Outreach / Philanthropy
3. Membership Engagement
4. Women in Safety Excellence (WISE)
5. Young Professionals
6. Program & Event Planning

Have a terrific and safe Labor Day Weekend!

Jeff Fox, CSP, CET – Chapter President
Central Indiana Chapter ASSP

CHAPTER NEWS

THANK YOU GARY!

Gary Gokey is retiring after 35+ years in the HSE profession. Gary has also served the Central Indiana ASSP board as Treasurer for 22 years. We at the CIASSP Chapter would like to thank you for all your dedication to your career as a safety professional and wish nothing but the best in the years to come!

CIASSP SPONSORING STUDENTS & PROFESSORS OF REGIONAL UNIVERSITIES TO ATTEND THE BCSP'S INAUGURAL RESEARCH & INNOVATION SUMMIT IN INDIANAPOLIS

2020 INDIANA SAFETY AND HEALTH CONFERENCE & EXPO

ASSP of Central Indiana and the Indiana Chamber are now seeking qualified speakers for the [2020 Indiana Safety and Health Conference & Expo](#), February 24-26, 2020, at the Indiana Convention Center in downtown Indianapolis. This year's conference theme is "Focus on Safety."

Please note: if you are interested in submitting a **KEYNOTE** please email the presentation description and title, as well as your speaker requirements, to me directly at jgeorge@indianachamber.com. The CFP form is for breakout/technical sessions only. [Access the CFP form here](#).

Sponsorships:

Sponsorships and exhibit spaces are available for the conference. [View sponsor prospectus here](#). You may also contact Jim Wagner at

jwagner@indianachamber.com or (317) 264-6876 for more info

2019 FUTURE LEADER GOLF OUTING SCHOLARSHIP APPLICATIONS

The 2019 Future Leader Golf Outing was a huge success with over 30 teams and multiple sponsors. The proceeds from this outing will be awarded as university scholarships for Central Indiana ASSP Chapter student members (ISU, IU, Purdue). The application is available for download on the left hand side under **Section Documents**. Completed applications are due by December 1, 2019 and must be sent to centralindianaasse@gmail.com.

LOCAL HIGH SCHOOL GUIDANCE DEPARTMENT INQUIRY

The Central Indiana ASSP Chapter is currently inquiring for contact information for guidance departments at local Central Indiana High Schools. We are looking to obtain assistance in planning informational presentations to be given by Central Indiana Chapter ASSP members to high school juniors/seniors on the safety profession and avenues those interested can pursue. Furthermore, any Central Indiana ASSP Chapter member that has the opportunity to present to a local high school group such as a church group, robotics club, 4H club, band, choir, career fairs, etc. should reach out to the below chapter contact who will provide you with to distribute regarding the safety profession and high school scholarships available. All interested parties or those who may be able to provide assistance in obtaining contact with local high school guidance departments should contact Ginger Dayton via the below contact information.

Ginger Dayton - ginger.dayton@atipt.com

MEMBERS:

We would like to give companies and organizations an opportunity to sponsor some of our upcoming meetings. Please let us know if you are interested. By sponsoring a meeting, your company's logo will be included in all advertisements for the meeting and a company representative will be able to start the meeting with a brief overview and/or update of your company.

There is no direct cost for the sponsorship itself, but sponsors must provide lunch for all attendees. If you are interested, please email our Programs Chairman (Kevin Beswick) at kevinb@rms-safety.com. Please note that sponsorships will be assigned on a first-come, first-serve basis.

PREP COURSE IN INDIANAPOLIS!

RMS Safety has teamed-up with a peer consulting group to produce a dynamic course designed to prepare students for all four (4) of the certifications listed above!!

You might be asking... how can one course prepare someone for all four exams? Here's how... a large majority of the content is the same! This course will focus on the universal content, basic necessary math skills, and give students study guides and practice tests relative to each specific exam.

How long does a course like this last? While some courses stretch the content and last 4-days, our content will be thoroughly covered in 2-days. That's half the time spent in the classroom and away from work!

Has this course been taught before? Yes, many times! Our instructor (who has successfully completed all four exams himself) has taught this course many times.

What kind of feedback have students given? Here are a few client testimonials:

"Thus far, 100% of the candidates passed the test. We are absolutely thrilled with the outcomes for these safety professionals!" **BL Harbert International**

"Thank you for preparing me for the BCSP exam; this is the best class I have ever taken! Again, thank you for everything, I passed!" **Abel Construction**

"Thanks for a great class!!! I recommend your workshops to anyone and everyone, and I passed the first time!" **Walsh Construction**

- **November 14-15, 2019**
- **8am – 4pm**
- **\$650 Per Student**
- **Limit 25 Students!**
- **leah@rms-safety.com**

A LIFETIME *of* SUCCESS

ONLINE.

1 - 2 YEARS.

THE NEXT STEP
IN YOUR CAREER.

Our **online Master of Science in Safety Management** and **Graduate Certificate in Safety Management** programs give professionals a foundation in safety management, including safety education and training, managing risk, and evaluating and controlling workplace hazards.
