

CENTRAL INDIANA ASSE CHAPTER NEWSLETTER

November 2014

Greetings Chapter Members!

The Chapter Board of Directors has planned an exceptional line-up of events for the next six months. Just to mention a few events, this week we'll hear from the Indiana Dept. of Labor Commissioner Rick Ruble during the November Chapter meeting; Chapter meetings in December, January and February. In March 2015 there are multiple opportunities to earn CEU's at the annual Indiana Safety Conference scheduled March 16-18, then later that week (March 19-21) there will be concurrent ASP and CSP exam prep workshops at the Hilton Garden Inn near the Indianapolis Airport. **Central Indiana Chapter members will receive a \$50 discount.** Be sure to visit the Chapter website Events page (<http://centralindiana.asse.org/events/>).

Vince Plank, CSP – Chapter President

Speaker: Rebecca Fletcher / Michelle Cunningham / Chet Brandon

March 19 – 21, 2015 ASP / CSP Workshops – Hilton Garden Inn Indianapolis Airport

The ASP (often called CSP Safety Fundamentals exam) is the first test required in the two-test process of becoming a CSP. The five hour computer delivered test consists of 200 questions designed to measure the academic knowledge expected of the entry-level safety professional. This workshop will prepare you for the Board of Certified Safety Professionals' Safety Fundamentals Examination, which leads to the ASP designation. You will review more than 600 problems addressing the complete examination blueprint.

The CSP Exam is the second-level examination required in the two test process. This five and one-half hour computer delivered examination consists of 200 questions that examine the candidate's applied knowledge and the application of experience gained through professional practice. Both the ASP and the CSP are administered

by the BCSP. Each course is 3 Days (2.2 CEUs / 3.67 Safety CM Points, 25.5 CMPs / 2.2 COCs).

For ASP Examination Preparation Workshop registration visit: <http://www.spansafetyworkshops.com/asp-workshop.php>

For CSP Examination Preparation Workshop registration visit: <http://www.spansafetyworkshops.com/csp-workshop.php>

For discounted hotel accommodations visit:

IN THE NEWS:

Delivery Man killed by Falling Tape Measure in New Jersey

A delivery man taking packages to a construction site in New Jersey was killed when a tape measure slipped off a worker's tool belt 50 stories above him.

Gary Anderson, 58, was dropping off a delivery of plasterboard to the under-construction luxury high rise in Jersey City when the tape measure fell, bouncing off

a piece of construction equipment about 10 feet off the ground and ricocheting into his head. He was not wearing a hard hat at the time.

Indiana University Graduate Certificate in Safety Management

IU is excited to announce this coming fall 2015 semester the School of Public Health-Bloomington, Department of Applied Health Science, Graduate Safety Program at Indiana University anticipates to offer its first Graduate Certificate in Safety Management. This certificate program will be completely online and will consist of 12 credits that may be transferred toward the MS in Safety Management. There will be four courses, three credits per course.

The faculty in the Graduate Safety Program are attempting to gain insight into the potential interest and demand for such a program. A short, ten question survey designed to provide anonymous information to determine interest and demand.

They value the importance of your company and the feedback your employees can provide. They would like for as many people within your organization to take the survey.

If you are interested in participating in this survey please email bcrobbin@indiana.edu and he will send a short message that includes the link in which you can forward to your employees.

ASSE Foundation Student Scholarships & Grant Applications due Dec 1st

Applications for ASSE Foundation's 2014 Scholarship Award and Professional Education Grant programs are due Dec. 1, 2014. These opportunities are available to students pursuing degrees in occupational safety and health and to ASSE members and safety professionals working to advance their professional credentials.

Employment News: Several new Safety/Health positions have been recently added to the CI ASSE website. To view these current SHE job opportunities, please check out the CI ASSE Website at <http://centralindiana.asse.org/jobs/>
