

CENTRAL INDIANA ASSE CHAPTER NEWSLETTER

February 2015

Greetings Chapter Members!

In 2014 the Chapter, in partnership with the Indiana Chamber and INSafe, provided a 3-day professional development conference and expo with over 800 safety professionals in attendance. This March, hundreds of EHS professionals will return to the Indiana Convention Center to network and learn from the nation's leading safety educators and leaders. What is your plan for professional development in 2015? The Central Indiana Chapter officers have once again developed an opportunity for our members to learn, grow and earn CEU's in downtown Indianapolis. Make plans to attend one, two or all three days of the conference, March 16-18. Additional information on our nationally renowned keynote speakers and other pertinent information may be found below.
