

CENTRAL INDIANA ASSE CHAPTER NEWSLETTER

October 2015

Happy October Members!

Fall has given us a clear message that summer is over and the year is quickly coming to a close. Take a few moments throughout the month to review outdoor safety tips with the family; be it roasting marshmallows over the bonfire, taking a hayride, going through a haunted house, or trick-or-treating.

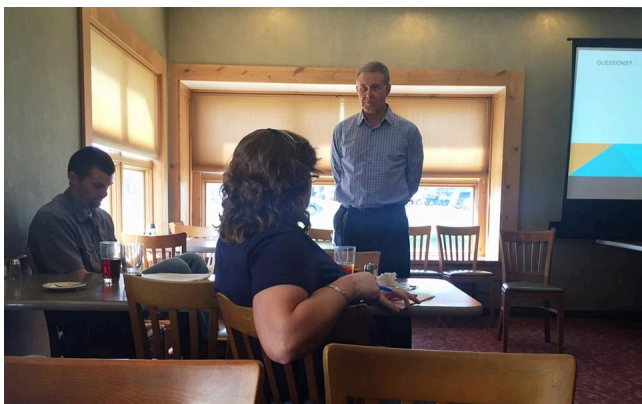

Moving on to Chapter and Society news, have you visited the Practice Specialties portals on the Society website? When you log into www.asse.org, links to your Practice Specialties and Common Interested Groups are on the right side of the page. There are also new Society member benefits extended to Military personnel. Student members, be sure to use the Book of Knowledge (BoK) for your assignments.

Hope to see many of you at the next Chapter Meeting on October 21st. Till then, have a wonderful and safe fall season.

Christina Merriott, CHST – Chapter President
Central Indiana Chapter ASSE
