# March Newsletter

## PRESIDENT'S LETTER

---

Greetings,

Wow! Is it March already? Spring will be here in less than two weeks. Better yet, March Madness will be here soon. Your Central Indiana ASSP chapter has been busy this winter season. Much planning and coordination went into assisting with the Indiana Safety Conference and Expo. It was a huge success. Thanks to all those familiar and new faces that stopped by our booth in the expo hall.

We did not have a chapter meeting in February, but we've been working hard to line up very exciting speakers and relevant topics this year. Here's a preview of the 2020 upcoming topics and events:

- Managing Safety with Today's Workforce Demographics
- Identifying & Assessing Risk Factors Associated with Musculoskeletal Disorders
- Tour of Marion County Jail and Courts Project
- ISO 45001 and How It Can Benefit Your Company
- 8<sup>th</sup> Annual Scholarship Golf Outing
- Chapter Social and Networking Event
- Joint Breakfast Meeting with Coalition for Construction Safety
- Women in Safety Excellence (WISE) meetings
- Emerging Professionals Group
- and much more

Reminder that you can find the full list of Chapter events here:

<https://centralindiana.assp.org/event/>. Also by following any of our social media accounts, key word "CI ASSP". We hope to see many of you at future events. I hope your year is off to a great start!
