## June Newsletter

### PRESIDENT'S LETTER

Greetings,

Although we are not able to meet in person, our chapter has had recent success in hosting online Zoom Webinars. Just last week we hosted a webinar with ASSP members from Indiana and surrounding states, “Navigating the Covid19 Pandemic”. This was not an educational session, but a time to benchmark and learn from each other. It was truly a valuable experience for those who were able to join. Also last week, our Women in Safety Excellence (WISE) group hosted a meeting discussing the available resources available to ASSP members. Additionally our Emerging Professionals group successfully hosted a webinar for resume and interview tips. We will most likely see our economy continue to move training and meetings to the online platform. We have already decided to host our June meeting online. Mike Gross will lead our chapter members on a technical topic, “ISO 45001 and How It Can Benefit Your Company”. We hope that you can join us. Please register here:

One additional event we still plan on having this year is our 8<sup>th</sup> Annual Golf Outing on August 7<sup>th</sup> in Brownsburg, IN. All proceeds go to Indiana based college students pursuing a degree in health & safety. Last year was our biggest outing to date, and we would like to continue that momentum. We assure you that we are working with the golf course to ensure all Covid-19 precautions will be in place for this event. We are looking for golfers and sponsors. So please, visit the registration link:

I urge everyone to stay connected and engaged. Central Indiana ASSP still has some terrific activities and initiatives planned for this year. We will not let this pandemic slow our growth nor our overall mission of workplace safety in Central Indiana.

Stay safe & healthy,

Jeff Fox, CSP, CIT – Chapter President

**Q2 WISE Meeting Update:**

We had a great Q2 WISE meeting last Friday. I have attached the slides, if you want to pick topics. We connected with the National Wise platform and our speaker was the Georgia President & National WISE Admin.

Few Highlights:

- WISE is working closely with BCSP & Junior Achievement for the JobSpark event in Sept. (Still a go)
- BCSP will be giving CEU credits to any individuals volunteering for the event!
- This is not just for Women in Safety, but all who want to pitch in. The more the better.

The more we can spread the word about WISE the better attendance we will have.

Thank you,  
Anne

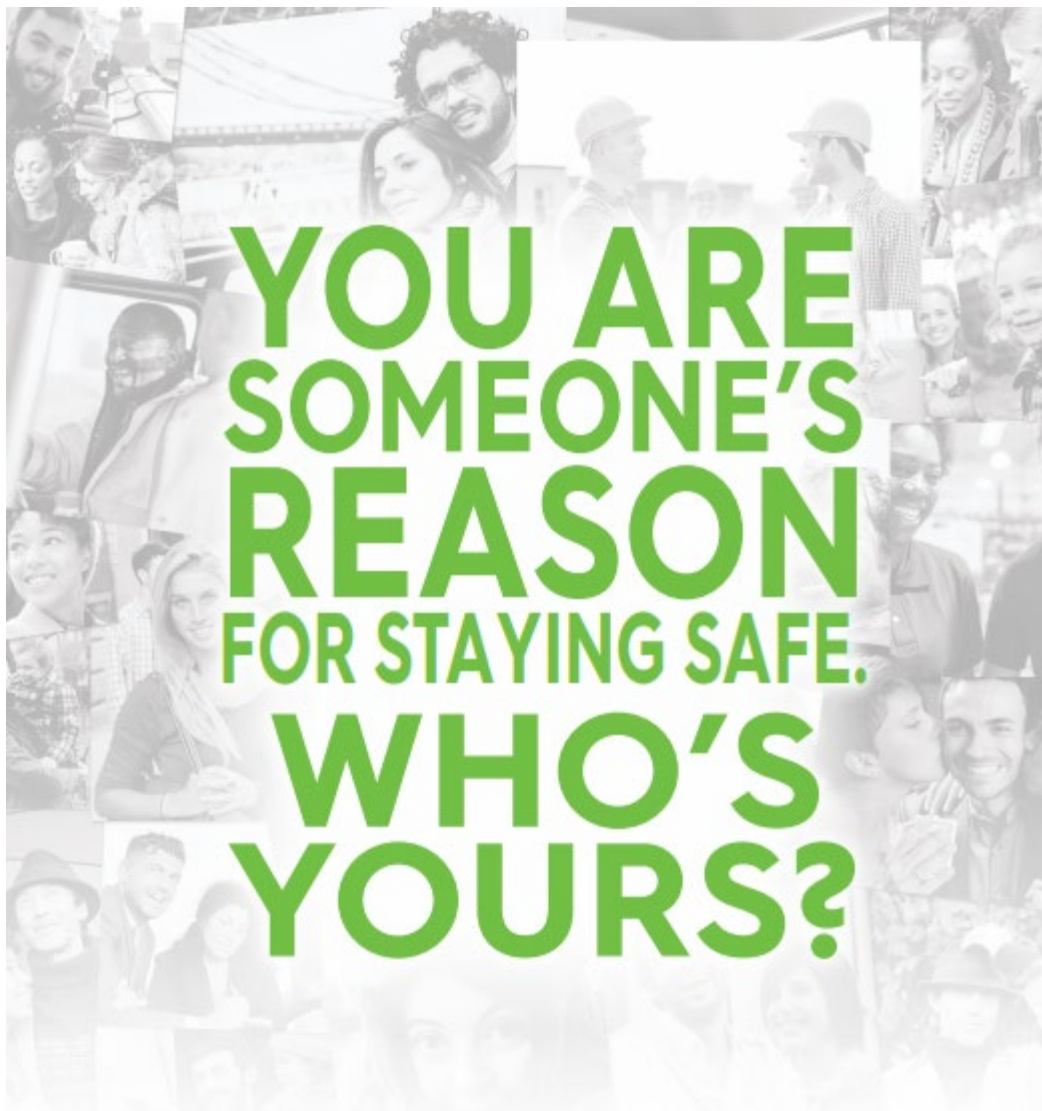

## **WE NEED YOUR HELP!**

We are looking for at least two safety professionals to participate in our October chapter meeting who have extensive experience and unique ideas for engaging employees in the safety process. If you have some unique non-traditional ways that you have engaged employees in safety, and you would be willing to be a panel member at our October 28 meeting (8-9:30am), please contact Kevin Beswick at [kevinb@rms-safety.com](mailto:kevinb@rms-safety.com). If you know of someone else who may be a good candidate for this opportunity, please feel free to pass this information along.

## **Update Your Contact Information!**

Help us help you stay informed. Make sure your contact information is kept up to date by using this link <https://store.assp.org/PersonifyEbusiness/My-Account>

## **June is National Safety Month:**

### ***MEMBERS:***

***We would like to give companies and organizations an opportunity to sponsor some of our upcoming meetings. Please let us know if you are interested. By sponsoring a meeting, your company's logo will be included in all advertisements for the meeting and a company representative will be able to start the meeting with a brief overview and/or update of your company. There is no direct cost for the sponsorship itself, but sponsors must provide lunch for all attendees. If you are interested, please email our Programs Chairman (Kevin Beswick) at [kevinb@rms-safety.com](mailto:kevinb@rms-safety.com). Please note that sponsorships will be assigned on a first-come, first-serve basis.***
