## PRESIDENT'S LETTER

---

CI ASSP Members,

Our chapter year runs July 1<sup>st</sup> – June 30<sup>th</sup>. This means we have new chapter goals and initiatives to share with our members! Here is a summary:

1. **Membership Experience** – Due to COVID-19, the chapter will look for ways to continue to bring value to membership via an online experience. We will investigate a digital delivery system for safety training, humor videos, podcasts, and other tech savvy health & safety ideas. We will award our members with financial certification support, conference attendance/travel, and a membership appreciation event.
2. **Community Involvement & Growth** – We plan on creating new partnerships with local sectors (Fire, Law, Emergency Response), organizations, and community. We will conduct a chapter volunteer event and look to donate to various charitable organizations in need.
3. **Youth Development and Mentoring** – Our chapter will engage the younger generation into the Health & Safety profession by growing our Emerging Professional group, creating a mentoring program, supporting our student sections, guiding the newly formed Purdue section, job fairs, Job Spark, and

awarding high school scholarships.

4. **Leadership** – Strengthen skillsets of current board members through goal setting, Leadership Conference, monthly COMT reviews, metric system, and accountability. Additionally, we'll look to the future by recruiting new roles onto the board and preparing for officer elections and transitions in 2021.

Please reach out to me if any of these goals spark your interest and you'd like to learn more on how you can participate.

Stay safe & healthy,

Jeff Fox, CSP, CIT – Chapter President
