JOBS

Are you looking to hire an environmental, safety and health professional within Indiana? CIASSP members can advertise their needs at no charge on this site by forwarding the position's job description to the [Central Indiana ASSP Jobline](#). Your job description will be reviewed for appropriateness and posted for 4 weeks.

Construction Safety Professional (Indianapolis)

Safety Management Group is seeking a Safety Advisor in Indianapolis, IN – Construction Safety

The key function of a Safety Advisor is to learn the importance and steps needed to put Safety at the forefront of their job, make the client's needs priority, work well in a team setting, become self-managed, and be flexible when it comes to change. The associate in this role will be working in a Construction environment providing the following services: Safety oversight.

jobs.assp.org

With limitless opportunities tailored to the field of safety, as well as automated notifications when jobs become available that match your interests and qualifications, OSH Jobs is the first step you should take on your journey to a post-college career in safety. [Click here](#) to create an account with ASSP's OSH Jobs. There is no cost for searching positions and posting resumes!

ACCESS OSH JOBS

Mentoring Program

- CI ASSP is starting a brand new mentoring program
- Pair experienced safety professionals with emerging safety professionals in first few years of the profession
- Looking for Mentors! Email Jeff.Fox@Corteva.com

Community Outreach

- Safety related donations to our community & organizations
- Volunteer opportunities for our membership
- Please communicate these to us, we are happy to help!

WISE

Women in Safety Excellence

Celebration of You!

Members: Thank you for attending, supporting, & volunteering during 2020.

*Please feel free to share your video...if you are comfortable.
Let's all have a toast to us!*

2020 Accomplishments

- Collaboration Efforts with BCSP & Junior Achievement
- Continuation of building WISE member participation
- JobSpark

JobSpark

- Safety Professional careers had a strong presence this year
 - Thanks to WISE & BCSP
- Had to switch to a virtual platform mid-year
 - Challenging, but we raised to the occasion

Students Comments

“A career in safety”

“You can have a job keeping people safe!”

“SAFETY on the job”

“I think it would probably be being occupational safety, I think it is called that. I liked it since he made it not boring and looked very happy with life. Like he made it exciting.”

“I didn’t know Safety was a job!”

“The coolest thing I learned at JA JOBSPARK was how people do their jobs like for example how a construction worker keeps themselves safe.”

2021 Outlook

- Continue to increase WISE membership & Involvement through an Outreach Program.
 - Continued support of networking & connecting at the National WISE level.
 - Support & Assist Junior Achievement with JobSpark 2021.
 - Continued collaboration with BCSP.
-

Send your ideas, requests,
concerns on how you believe
our future should look.
