

High School Student Scholarship for Safety Related Careers

The CIASSP (Central Indiana American Society of Safety Professionals) High School Student Scholarship will be awarded annually to a deserving high school senior in Indiana. CIASSP will award up to three \$1000 scholarships. Any high school senior in Indiana with a 2.8 GPA or higher who will be furthering their education in Indiana with an emphasis on occupational safety is eligible to apply.

Safety related careers may include:

- Construction safety
- Risk Management
- Safety and Health
- Industrial Hygiene
- Environmental Health
- Or others as approved by the scholarship selection committee.

Guidelines

Must currently be a senior in an Indiana High School. Preference will be given to those in the Central Indiana ASSP Chapter's geographical area.

Must have a GPA of at least a 2.8 on a 4.0 scale and submit a copy of their high school course transcript and grades through the first 3.5 years.

Must enroll in an Indiana College, University or other training and declare a major or minor in Safety.

Applicant must provide 2 letters of reference. One from a teacher from their high school and one from a current or previous employer, youth group leader or other adult in a leadership position.

Applicant must include a brief description of their career plans and how they relate to occupational safety.

Winning applicant must join a student chapter of ASSP or the Central Indiana ASSP Chapter.
