As a Chapter we're looking to spend time together volunteering with a few charitable organizations, watch for these opportunities to volunteer in future newsletters. We're also open to your suggestions to for volunteer opportunities. We want to support organizations and activities that our members are involved in.

Speaker selections for the 2022 Indiana Safety and Health Conference are underway. Mark Frye and the Conference Planning Committee have been working hard behind the scenes to make our 2022 Safety Conference great. They're currently finalizing the speakers for keynotes and concurrent sessions. It's an exciting time for us to be a part of an event to help us grow professionally. I hope that you can attend the conference on

There are two open positions on our board of directors, the Program Chair and Newsletter Chair. Please contact me if one of these positions interests you. Program Chair Kevin Beswick is stepping down in the next few months. Kevin has brought us top quality speakers during the pandemic, thank you Kevin.

I would like everyone to know that one of my main goals as president is to bring value to you as a member. We would love to see you get connected with us at a future Chapter event. We have so many opportunities to help you find a connection.
