

# Looking for Speakers? Career Fair Participants?

## CI ASSP\* is available!

\*Central Indiana Chapter of the American Society of Safety Professionals

Biology, Constructions, Technology, Engineering, Medical, Science... students in these classes and more my find a career in Safety.

Reach out to us about a speaker or booth to inform your students and/or staff about what the safety profession has to offer. Hands on, interactive, real live safety professionals who enjoy their work will share their experiences and expertise.
