

## CENTRAL INDIANA ASSE CHAPTER NEWSLETTER

**August 2016**

“Hello Members of Central Indiana!

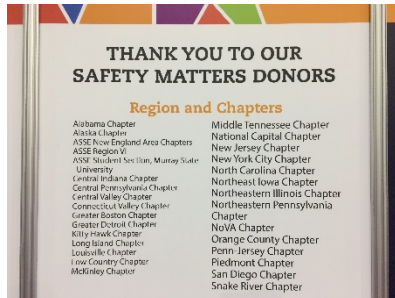

It’s amazing how fast the year is going. I hope this newsletter finds everyone is having a safe and wonderful summer while keeping cool and well hydrated thanks to nature cranking up the heat and humidity. The weather didn’t effect the 4<sup>th</sup> Annual Scholarship Golf Outing. A Huge Thank You to Jordan Hollingsworth for another amazing event. This year was the best turnout yet and preliminary numbers indicate we may have enough for an additional scholarship. Our initial goal was to fund one scholarship for \$1,000. It is incredible to have grown so fast in 4 years to pass the initial goal. Great job Jordan and thank you to all the golfers and event sponsors that make this possible. For those of us non-golfers, we had a great lunch while listening to Lonnie Bedwell tell his story. Lonnie was blinded by a shotgun many years ago, but has not let that stop him. He continues to find ways to live an adventurous life. Including kayak trips down the Colorado River via the Grand Canyon. If you are looking for a local Indiana speaker, I encourage you to check out Lonnie Bedwell.

In other news, thank you all who responded to a recent membership survey. Your feedback helps us find ways to serve you better. Our next membership meeting is September 21<sup>st</sup> at Le Peep’s near Intech Park on the west side of Indy. Hope to see you there. Please RSVP via the chapter website. (<http://centralindiana.asse.org/events/september-chapter-meeting/>) There is no cost to attend, however, you are responsible for the purchase your own lunch. Keep reading for more news on what is happening around Central Indiana. Stay cool and safe out there."

**OSHA's Final Record Keeping Rule**

Under a final rule that becomes effective January 1, 2017, OSHA will revise its requirements for recording and submitting records of workplace injuries and illnesses to require that some of this recorded information be submitted to OSHA electronically for posting to the OSHA website.

**Electronic Submission Requirements**

The final rule requires certain employers to electronically submit the injury and illness information they are already required to keep under existing OSHA regulations.

The requirement applies to the following:

- Establishments with 250 or more employees that are currently required to keep OSHA injury and illness records must electronically submit information from OSHA Forms 300 — Log of Work-Related Injuries and Illnesses, 300A — Summary of Work-Related Injuries and Illnesses, and 301 — Injury and Illness Incident Report.
- Establishments with 20-249 employees that are classified in certain industries with historically high rates of occupational injuries and illnesses must electronically submit information from

OSHA Form 300A.
