PRESIDENT'S LETTER

Hello Central Indiana ASSP members,

I hope this message finds you well. I want to personally extend a huge thank you to everyone who made our 13th annual Future Safety Leaders Golf Outing Fundraiser another incredible success. To our amazing sponsors and dedicated teams, your support was simply outstanding! We completely sold out the event, and it's a testament to our community's commitment to safety and the next generation of safety professionals. We could not support the scholarship program without your continuous generosity. Let's keep this great tradition going! Mark your calendars for our 14th annual golf outing on Friday, July 24th, 2026.

On another note, we are beginning to plan for our premier event of the year, the 2026 Indiana Safety & Health Conference "Safety in the Spotlight" on February 23-

25th, 2026. I encourage each of you to consider sharing your knowledge and expertise by becoming a speaker. This is a fantastic opportunity to contribute to our profession and showcase the great work being done right here in our community. If you have a passion for safety and a topic to share, please submit your application [Call for Speaker](#)

I'd also like to personally invite you to an exclusive afternoon of fun and networking. We're getting together at Back 9 on Thursday, August 7th, from 3:00-5:00 PM. This is a special thank you and a chance for us to connect on a more personal level outside of our usual meetings. Space is limited to just 40 members, so please visit the website to register soon to secure your spot.

I'm also very excited about our upcoming joint meeting with the Indiana AIHA chapter. This is a great opportunity to learn from our peers in a related field and expand our professional network. I hope to see you all there on August 13th. You can find all the details and register on our website: [August Chapter Meeting](#).

Thank you all for being such a vital part of our Central Indiana ASSP community. I look forward to seeing you at these upcoming events.

Best regards,

Karl Weisser

UPCOMING EVENTS

Ethics

Get ready to dive into a topic that's as vital as the air we breathe - literally! Join us for an engaging and informative session as we tackle outdoor air quality and permitting. We'll explore how air quality impacts our health and the environment, and why staying on top of permits and regulations is crucial. You'll leave equipped with the knowledge to ensure our air stays clean and our operations stay compliant. Don't miss out on this chance to clear the air and have some fun!

And Now, The Rest of the Story...

- In addition to monthly chapter meetings, CI ASSP is offering quarterly events focused on the following special interests:

CONSTRUCTION – May, August, and November

WISE – June, September, and December

BISE – April, July, and October

Everyone is invited to attend!

Please [register online](#) to ensure we have enough seating, food (if applicable), and any handouts available.

- Please add all the [CI ASSP activities](#) to your calendar and join us! Remember, based on input, we are alternating monthly chapter meetings between Wednesday morning and Friday lunch.

Meeting Hosts and Meal Sponsors

- We are looking for meeting hosts and meal sponsors:

November 7th, 11:30 am – 1:00 pm, location and meal

If you or your company is available to host, provide the meal, and/or suggest a venue location, please reach out to Ginger.Dayton@atipt.com

Want to Be More Involved with CI ASSP?

Join us at one of our **board meetings**! Gain insight into the planning and preparation behind our **monthly chapter meetings, annual Health & Safety Conference, and other events** like **Breakfast & Best Practices, BISE, WISE, and our Student Section gatherings**.

We have opportunities that require both **large and small time commitments**, so you can get involved in a way that best fits your schedule.

Interested? Reach out to **Mark Frye** at mcfrye@mmm.com to learn more!

NEWS

OSHA's Safe + Sound Week is August 11 - 17

Safe + Sound Week is a nationwide event held each August that recognizes the successes of workplace safety and health programs and offers information and ideas on how to keep America's workers safe. This year Safe + Sound Week will provide resources and activities for businesses on **emergency preparedness and response** that can be done at work or at home.

Participating in Safe + Sound Week can help get your program started, energize an existing one, or provide a chance to recognize your safety and health accomplishments.
