## May 2026 Newsletter

### **PRESIDENT'S LETTER**

---

Dear Central Indiana Chapter Members,

Happy May! I hope you are all enjoying the transition into spring and finding time to recharge as we head into a busy month for our chapter. As safety professionals, your dedication to protecting others remains the backbone of our community, and I want to thank you for the hard work you put in every day to ensure workers return home safely to their families.

We have an impactful educational opportunity coming up this Friday, May 8th, at our monthly chapter meeting. Kevin Beswick will be joining us to present "The Art of Correcting Unsafe Behavior," focusing on the critical importance of addressing workplace behaviors and the most effective methods for doing so. If you haven't registered yet, please visit our [events page](#) immediately, as there are only a few spots remaining.

Looking ahead to next week, I am thrilled for our first membership appreciation event on May 15th. We will be heading to the ballpark for a "Banana Ball" showdown between the Party Animals and the Indianapolis Clowns. This was a highly sought-after, limited-capacity event, and we are so excited to host our members and their families for an evening of fun and entertainment. It is a privilege to provide these opportunities to connect outside of the traditional professional setting.

Thank you for your continued engagement and for everything you do to advance the safety profession in Central Indiana. I look forward to seeing many of you this Friday and at the ballpark next week. Have a safe and productive month.

Best regards,

Karl Weisser

Central Indiana ASSP Chapter President
